## **What Does It Mean To Be A Parishioner?**

### ***What are the expectations?***

A parishioner can be defined as: "One who is registered and actively participates in the liturgical/pastoral life of the parish through the generous, sacrificial and proportionate sharing of his or her God-given giftedness of time, talent and treasure."

As a Catholic and registered parishioner of a parish, I am expected to:

- Regularly attend and participate in Sunday Mass – preferably as a family
- Regularly participate in the sacramental life of the Church
- Develop and practice an ongoing personal/family prayer life
- Witness to the teachings of the Church by one's manner of living life
- Seek to understand and practice what it means to be and live as an active and committed Christian steward in service to the parish and the wider universal Church without counting the cost or having any expectation of something in return
- Recognize, understand and accept my need to regularly give and share rather than giving and sharing only when there happens to be a need
- Acknowledge, as a registered parishioner, that I am to be a participant in serving the mission of the parish rather than being only a spectator
- Realize the necessary and ongoing importance of love, generosity, faith and family
